### DESCRIPTION AND PURPOSE OF ITEM

This item describes the overhead obstruction which restricts the free passage of vehicular traffic along a highway. This description is recorded separately for each affected direction-of-traffic.

This information is used to safely route vehicles with loads that exceed legal size limitations.

This item can be obtained from construction plans or field review. If in question, contact the Central Bureau of Operations.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A 27-digit alphanumeric field, left justified, including letters, numbers, special characters and spaces.

Abbreviations may be used as long as the meanings are clear. Refer to Street/Road Name (Item 61) for a list of suggested abbreviations.
